ENGL107 Suggested Topics

You may choose one of the following topics. Or, if you wish to devise your own topic, please seek your instructor’s approval of it before you begin writing:

- Obamacare (ACA) should be repealed.
- Global climate change is a hoax.
- All public schools should adopt a school uniform policy.
- The “war on terror” has become a war against American freedoms.
- All eligible citizens should be required to vote or pay a fine.
- Censorship is never justified.
- High-stakes testing should be eliminated in public education.
- Drivers convicted of a first-time DUI should receive mandatory jail time.
- The death penalty should be repealed in all states.
- The rich in America should pay more taxes.
- Students are harmed by their dependence on personal digital technology (laptops, smart phones, etc.).
- Tobacco products should be made illegal.
- America’s chief executive officers (CEOs) are paid too much.
- Dieting ultimately makes you gain weight.
- The “war on drugs” has become a war on America’s minorities.
- English should be the official language of the United States.
- The legal age for drinking alcohol should be lowered to 18.
- The cost of higher education is too high.
- Creationism should be taught in public schools.
- Snack and soda vending machines should be removed from public schools.
- Supermarkets should charge for plastic bags.
- Child beauty pageants should be banned.
- Mandatory sentencing in nonviolent drug cases should be ended.
